

Graphic Designer

BEK Communications has an immediate job opening for a Graphic Designer proficient in Adobe Creative Suite: Photoshop, InDesign, Illustrator and Acrobat. Web design skills and social media skills are also a plus, but not necessary.

Designer will be responsible for designing and producing logos, brochures, sales sheets, promotional event materials and other collateral. Designer will also be responsible for assisting with and updating marketing campaigns and promotions, as well as some external promotion support.

Please send your resume and samples of your design work to: BEK Communications, Attn: Brenda Waletzko, PO Box 230, Steele, ND 58482 or email to brendaw@bektel.coop
