

Executive Director

Broadband Association of North Dakota ("BAND"), Bismarck, ND

The Broadband Association of North Dakota ("BAND") has a long and successful history of representing rural telecommunications and broadband industry interests in the State of North Dakota. BAND and its leadership have been a voice of influence for decades on both State and Federal communications-related policy matters. The Association supports the development and adoption of public policies that allow its member companies to deploy and use the newest and best technologies and provide North Dakotans with affordable access to state-of-the-art communications services, including high-quality, high-speed broadband.

Due to unforeseen circumstances, the Association is immediately seeking a new Executive Director. The Executive Director will have comprehensive financial and managerial responsibilities for BAND operations, lead the Association's lobbying and marketing efforts, and will report directly to the Association's Board of Directors.

Our Requirements:

- Demonstrated ability and experience in the role of public spokesperson.
- A strong set of verbal and written communications skills.
- The ability to effectively represent and promote the interests of our membership not only to policy makers, but also to the general public and other industries in the state.
- A leader with the passion and energy to keep BAND and its membership at the forefront of meeting the communications and broadband needs of rural North Dakota citizens.
- Experience in developing, advocating, and implementing public policy reforms at the State and Federal level.
- A passion for organizing and leading educational events for association membership and for attending industry and business events on behalf of its members.
- A strong personal connection to the State of North Dakota or to the Midwest.
- A four-year degree is preferred.

What this Position Offers You:

- The opportunity to lead an association that promotes the ability of its members to continue deploying and providing high-quality, high-speed broadband to the people of North Dakota.
- A career located in Bismarck, the state capitol and center of the North Dakota political scene.
 - A great family community of 70,000+ with highly rated public schools.
 - Located adjacent to the Missouri River, Bismarck/Mandan offers a variety of world-class water recreation and hunting activities.
- An attractive compensation and benefits package.
